

WJRC 2021 Youth Rec Basketball Guidelines

Effective November 9th the following protocols & recommendations will be in place for WJRC youth basketball practices and games for the 2021 season. The purpose of this information is to provide as best as possible, a safe environment for all our participants/spectators.

***Disclaimer: These guidelines can change before or during the season and are contingent on county and USD 289 recommendations.**

SAFETY PROTOCOLS:

- Temperature checks done for everyone as they enter the building on game days. This will be conducted by WJRC Staff. If an individual's (spectator, coach, player, official, etc.) temperature reads at or higher than 100.4°F (per the CDC), the individual will be asked to leave the building and will not be allowed inside.
- Everyone who enters the building will be required to wear a mask upon entry. These are required for practices and game days. Spectators will be required to wear masks for the full duration while inside the building. Players and coaches will be required to wear a mask upon entry and while waiting for their game to begin but WILL NOT be required to wear a mask during play.
- Seating is limited to groups of 45 (socially distanced) in each seating section. Families are asked to sit together and socially distancing themselves from other families. Children are required to sit with their families.
- Bathrooms will be open and cleaned frequently.

RECOMMENDATIONS:

- Bring water bottles with your players' name on it to avoid possible use from other participants.
- Players are encouraged to use hand sanitizer for use before and after the game.
- Social distancing is recommended whenever possible.
- Once your games have concluded, please leave the gyms. Do not remain to watch other games.
- We strongly encourage those individuals who are at high risk (Senior Citizens and those with underlying medical requirements) to avoid the ballpark.
- All participants, fans and staff are encouraged to look for any signs of illness and do not come to the gyms if you are showing any symptoms of Covid-19.
