

April 15, 2020

Wellsville Joint Recreation Commission knows the community is eager to get summer ball started amid the recent events of the COVID-19 pandemic. We are working in conjunction with the county and state on their regulations for the stay-at-home order and group limitations. We appreciate your patience during these times and want you to know we are doing all we can to get the complex in shape for a potential season.

WJRC originally intended to meet mid-April to discuss the possibility of salvaging our summer ball seasons, but with the stay at home order in affect until late April, we are not in a place to make a decision at this time. WJRC plans to hold our scheduled May 6th Board Meeting to discuss the upcoming seasons. We have consulted other recreation entities around the area and this is the same steps they are taking as well.

We have extended the deadline for summer ball registrations to May 8th. We hope to have a decision at our May meeting, which will give participants who have waited until a decision has been made, a chance to sign up. We will inform the community the second we have come to a decision.

We thank you for your time and hope everyone is staying safe during this unprecedented time.

Thank you.

Wellsville Joint Recreation Commission
